*"I don't know what your destiny will be, but one thing I know:
The ones among you who will be really happy are those who
have sought and found how to serve."
~ Albert Schweitzer ~*

2013 SLC Workshops

Be sure to check out these outstanding workshops! For locations and times, please see the schedule located in the center of the program.

The ONE Thing You Will Never Learn on Facebook

Learning to LEAD in the 21st Century has never been this fun and entertaining. Keynote Conference Speaker and Presenter Sam Fowler's leadership seminar will leave you inspired, motivated, & smiling. Are you ready?

*Presented by Sam Fowler
Magic Valley Boys & Girls Club*

Lifelong Leadership in Agriculture

This workshop will demonstrate how FFA at the high school level, and PAS at the collegiate level will help prepare students to become leaders in the agricultural industry. The focus will be on developing premier leadership, experiencing personal growth, and preparing for career success through these organizations.

*Presented by Mitchell Searle
Post Secondary Agricultural
Student Organization*

Starting Off on the Right Foot - Money Matters

Money can become your ally or your enemy. Learn best practices on how to start off on the right path and respect your money, so it will in turn, respect you. We'll be discussing budgeting basics, getting started with investing, tax basics, and good debt versus bad debt. Money Matters!

*Presented by Jennifer Deroin
Director of Business Development
Nichols Accounting*

You Can Farm & Farming is Risky Business

Let's face it, production agriculture is not exactly a walk in the park. But that's part of the reason we love it. Do you have what it takes to understand and manage the risks that come with a career in agriculture? Find Out! Attend our workshops — try your hand at agricultural risk management by playing a competitive farm simulation game. And, learn the steps for getting started in an agricultural career, because, You CAN farm! You Really CAN Succeed in Agriculture!

*Sponsored by the USDA's Risk Management Agency Coordinated by RightRisk, LLC, & Custom Ag Solutions
Presented by John Mangus*

Interview Survival Guide

Nervous for upcoming interview? Join the UI Collegiate FFA as we ease your fears about what to wear to an interview, what to bring & provide sample interview questions.

*Presented by the
University of Idaho CFFA*

Increase Your Odds at Scholarship Success

Freshman, Sophomores and Juniors - now is the time to get great tips and information on completing scholarship applications. Planning and learning the ropes now will increase your odds at landing scholarships later.

*Presented by
Gaye Heikkila,
Idaho FFA Foundation
Tractor Raffle Coordinator
& Laura Wilder,
Idaho FFA Foundation
Executive Director*

College 101: Preparing for Success

Preference to Juniors and Seniors. This workshop will help you get ready to start and excel at college. From scholarships and housing to classes and fun, we will discuss how to prepare best for college.

*Presented by Shea Seralacos and Team
College of Agriculture and Life Sciences
University of Idaho*

College of Agriculture and Life Sciences

I'm Farming and I Grow It

Idaho Farm Bureau Young Farmers & Ranchers 2013 Discussion Meet Winner - Elizabeth Kohtz and State YF&R Coordinator - Justin Patten. Just like the Peterson Farm Brothers from

Kansas, you too can Stand Up and Speak Out about agriculture by telling your story.

National Officer Workshop

Packed with power and punch, you won't want to miss this workshop!

*Presented by Katie Hall
National FFA Secretary*

Thank You J.R. Simplot Company

**Fifth General Session Sponsor
Proficiency Award and State Officer Team Sponsor**

PLAYING A SMALL PART IN FEEDING A BIG WORLD

In a way we are all, nearly 7 billion of us, part of the same community. A world community that grows smaller as we grow more interdependent. That's why Simplot pursues initiatives across the globe to improve food production like showing farmers in other nations how to produce higher yields with limited resources at their disposal. Some call it the right thing to do. We call it the Simplot way.

Find out more at simplot.com

Special Guests

Sam Fowler, Keynote Speaker

Sam Fowler is an author, speaker, and motivational coach. Known for his inspirational and humorous way of making a person's "story" relevant and meaningful, Sam regularly speaks to community groups, churches, teens and schools throughout the West. He is often called upon by businesses to lead team building and goal setting conversations, as well as motivational speeches at corporate events. After 20 years of

experience in the non-profit world as a minister and director, Sam understands the needs of people and the best way to reach them "where they are at."

He is currently the Executive Director of the Boys & Girls Club of Magic Valley, working on behalf of kids and families to help make a difference in their lives.

Sam is an avid Duke basketball fan who still enjoys the opportunity to find a gym somewhere to get some shots up. Sam and his wife, Kristi (an author, speaker & life coach in her own right), have two children and reside in the Twin Falls, Idaho area.

Kalie Hall, National FFA Secretary

Kalie Hall of Georgia credits a mentor for offering a simple piece of advice that has defined her approach to life. "I was told, 'Remember where you've come from and meet people where they are,'" she said. "That's something I'll never forget."

"She will have literally hundreds of thousands of opportunities in the next year to apply her mentor's advice as she travels the country as a national FFA officer next year."

Hall was a nine-year member of the Franklin County High School FFA chapter in Carnesville, Ga., led by advisors Cale Watkins, Gary Minyard and Owen Thomason. In high school, she won a host of state and national FFA awards from 2008-2010. She held FFA titles of state secretary, chapter president and chapter vice president. Hall was also a member of the Fellowship of Christian Athletes, a student representative on her school system's health education committee and an active member in her local church as a youth group leader, keyboardist and choir member.

She earned an Associates Degree from Abraham Baldwin Agricultural College and is currently studying Agricultural Education at the University of Georgia at Athens. She plans to become a middle school agricultural education teacher and FFA advisor.

"As a national FFA officer, it will be my honor to further agricultural education in the lives of students by investing in everyone who is in its sphere of influence," she said. "People want to be heard and understood. Agricultural education has taught me to listen and given me experiences through which to understand. People need hope. Agricultural education has given me an avenue through which to provide it."

Fourth General Session
Featuring Chapter Challenge entries

Great jobs start here!

Looking for education and a job after high school that fits your time line, interests, skills and finances? Check out Idaho's six technical colleges – there's one near you. Many careers require less than a four-year college degree and offer a quick entry into the job market. For example...

| | |
|-------------------------------------|---------------------------------|
| Accounting Assistant | Horticulturist |
| Automotive Repair Technician | Licensed Practical Nurse |
| Chef | Machinist |
| Computer Service Technician | Medical Assistant |
| Dental Assistant | Preschool Teacher |
| Drafting Technician | Surgical Technologist |
| Environmental Technician | Veterinary Technician |
| Fire Fighter | Welder |
| Forest Technician | Wind Energy Technician |

Most programs are 9-18 months long saving you time and money. Programs and start dates vary at all colleges; check with your high school counselor or the college admissions office near you. Get going – your best job is waiting to happen!
